*Dedicated To . . .*

How do you thank someone who has extended  
a helping hand in times of confusion,  
who has willingly listened in times of disillusion;  
Someone who has spoken comforting words in times  
of uncertainty,  
who understands the need for individuality?

A man who has given his time,  
A man who has worked unselfishly,  
A man who has been our friend  
Arthur Cloutman  
We will always remember you,

## Prayer for a Graduate

You are about to enter this  
world on your own  
Strengthened by years of learning.  
Look onward to a new future,  
Reach out and grasp the dream  
which finally is within arm's length.  
It is there . . .  
Just reach far enough,  
Strive to obtain it.  
Wisdom is not the sole possession  
of the mind,  
The heart shares it also.  
In rendering judgement, remember  
the mind within your heart,  
For it will provide the most valuable  
appraisal that can be obtained.  
Understanding is born of the heart's wisdom.  
It is understanding of the heart that  
paves the pathways of peace.  
Use your wisdom to good advantage.  
Be not skeptical if it; He will guide you.  
Trust in Him.  
Help others to grow with your knowledge,  
The sharing of it will help you to grow also.  
Reap what you have sown . . . then plant again . . .  
Wisdom's harvest is many fold.  
Look ahead, but forget not the past . . .  
In its experience lies the key to  
a richer future.  
The dream of this future will soon be reality;  
you are now one step closer to it . . .  
Do not become discouraged, for granted,  
it is not an easy quest.  
Remember, though that those who love you  
will do so throughout your life.  
This security of sincere love  
will surely help you to achieve your highest goals.  
You are on your way to a new life . . .  
Be strong and set in your ambitions.  
May God bless  
and guide you  
in all your endeavors.

“We are stronger  
When we stand  
together”

Courtesy J.I.

Stripping a person of  
his individuality  
Is like doubting  
his existence.

You're as  
beautiful  
as you  
feel!

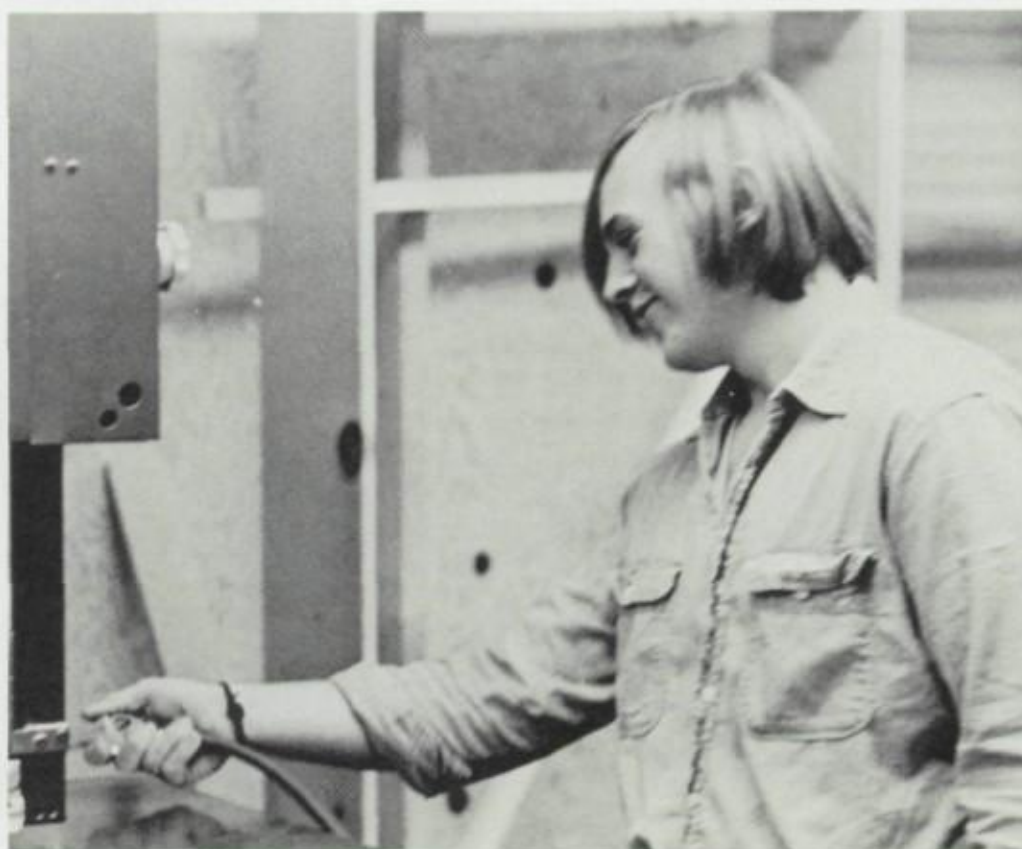

I need  
to express  
my thoughts  
and feelings.

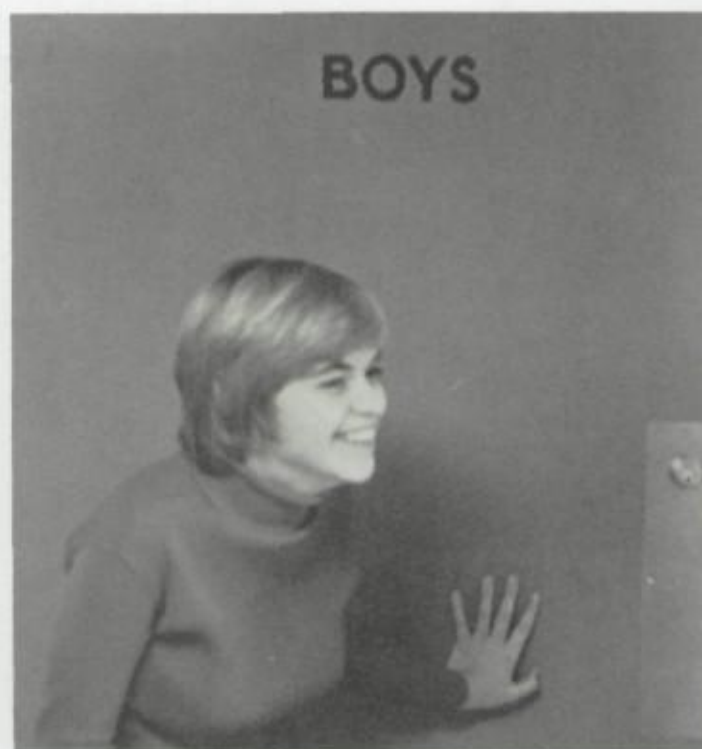

The  
Beginnings  
of all  
things  
are small.

EVERY  
PICTURE  
TELLS A  
STORY.

Be Yourself — but be your best self.

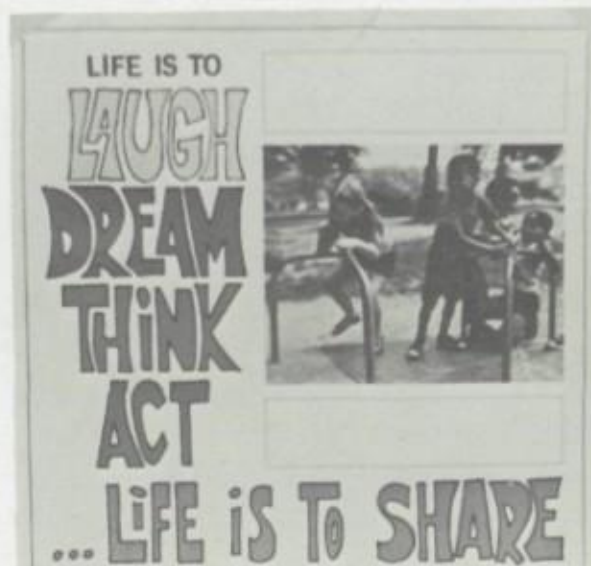

We know what  
we are,  
But know not what  
we may be.

Things do not change, we change.

*Your children are not your children  
They are the sons and daughters of life's  
longing for itself.  
They come through you but not from you,  
As though they are with you yet they  
belong not to you.  
You may give them your love but not your  
thoughts,  
For they have their own thoughts.  
You may house their bodies but not their  
souls,  
For their souls dwell in the house of tomorrow  
which you  
cannot visit, not even in your dreams.  
You may strive to be like them,  
but seek not to make them like you,  
For life goes not backward nor tarries  
with yesterday  
You are the bows from which your children  
as living arrows  
Are set forth . . .  
Let your bending in the archer's hand be  
for gladness.*

**KAHILL GIBRAN**

# UNDERCLASSMEN

*They go forth into the world  
with well developed bodies, fairly  
developed minds and undeveloped hearts.  
An undeveloped heart — not a cold one. The  
difference is important . . .*

Junior Class Officers (*LEFT TO RIGHT*): Ana Alzugaray, Treasurer; Scott Antosik, President; Suzanne Doering, Vice President; Adrienne Lizotte, Secretary. Advisor of the Junior Class is Mr. Bordonaro.

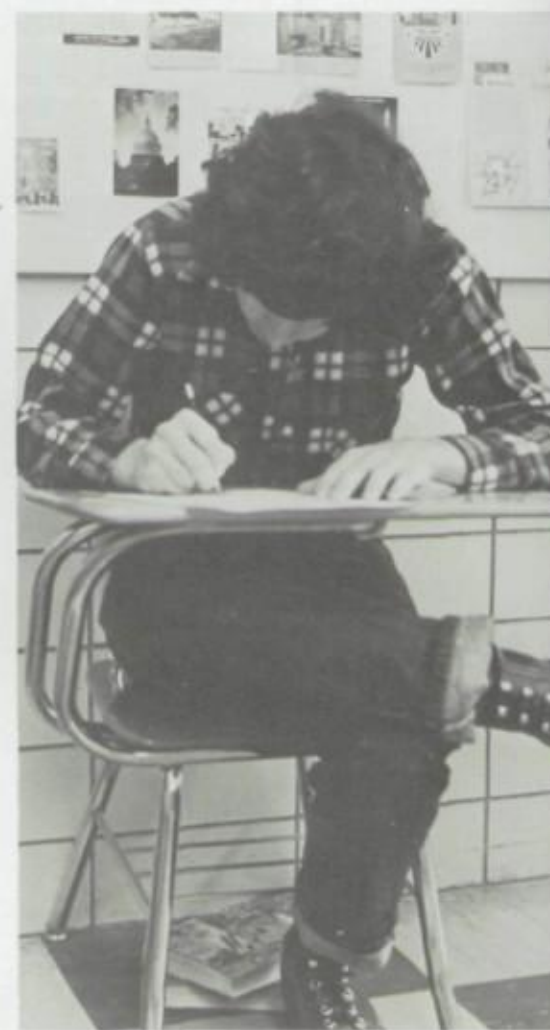

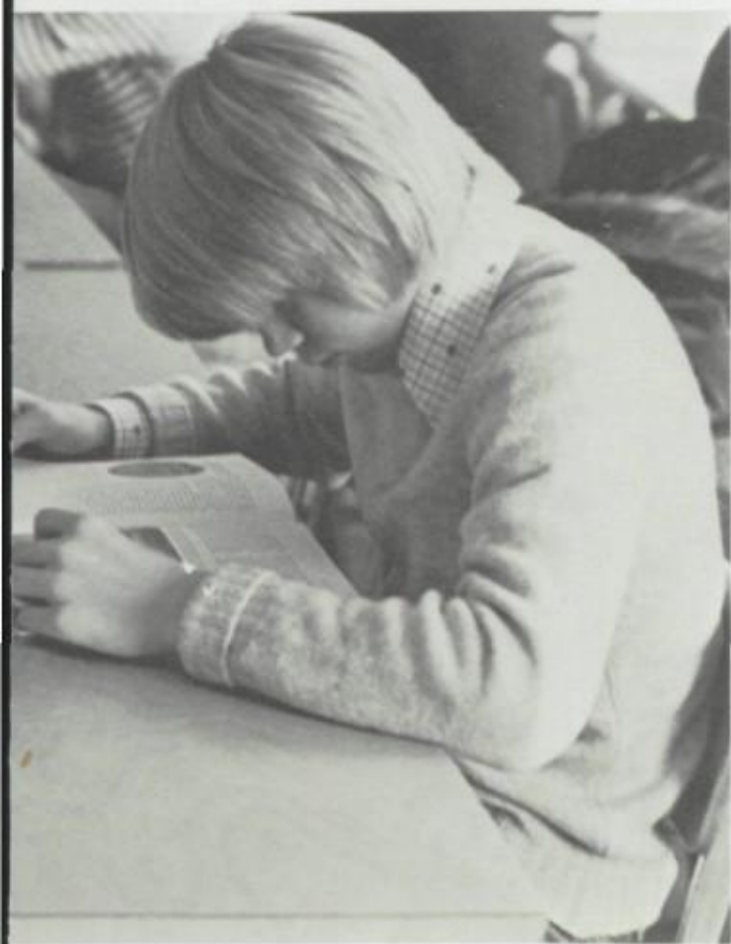

A little work, a little play,  
to keep us going day by day.

The years teach much  
which the days never know.

Do not look back in anger, or forward in fear;  
but look around in awareness.

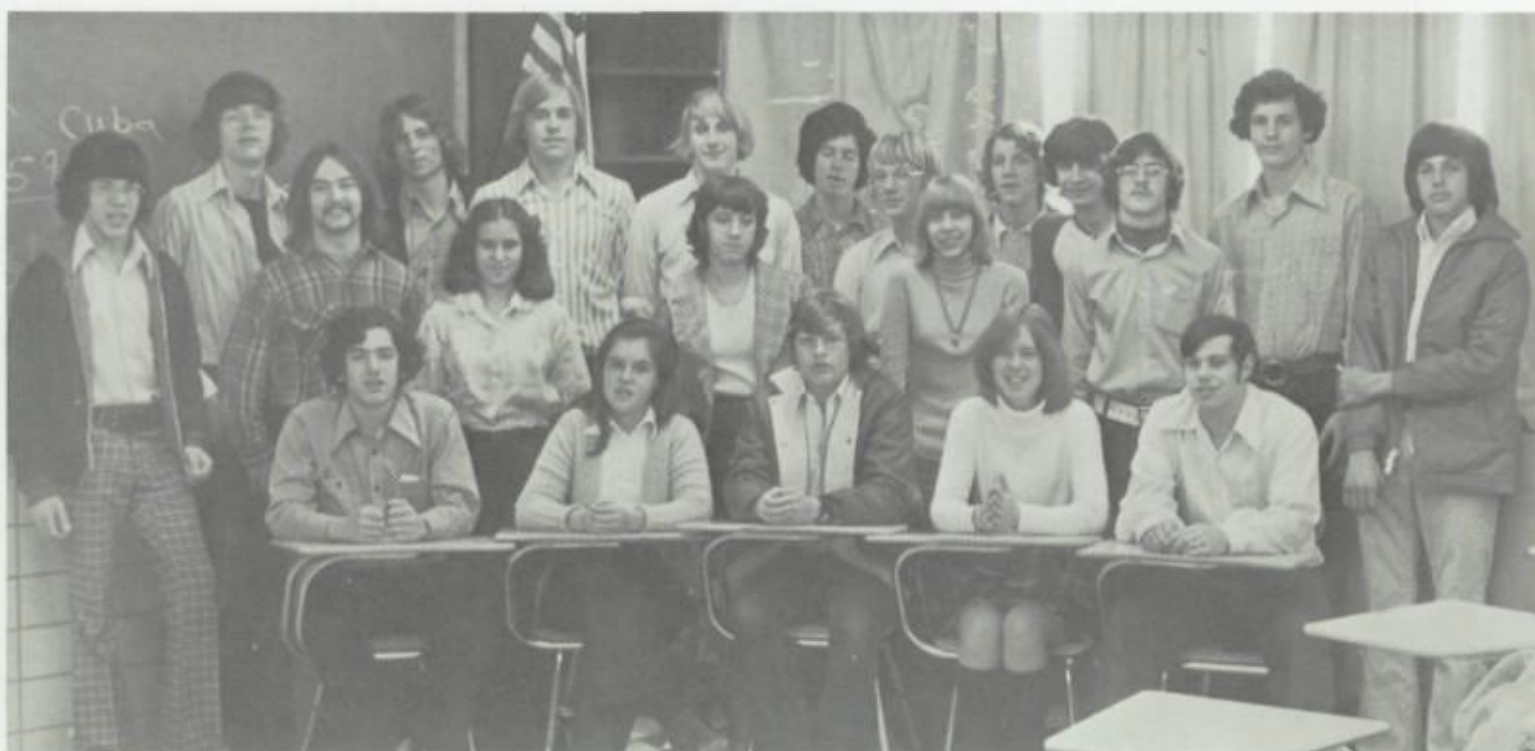

Not in doing what you like, but in liking what you do is the secret of happiness.

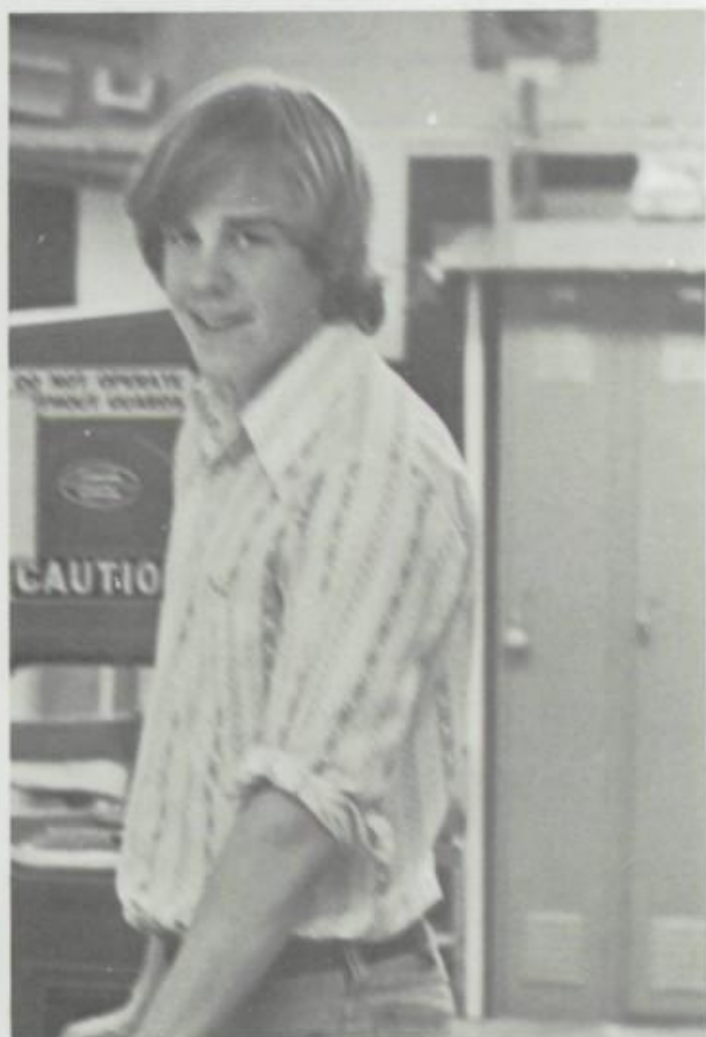

Every man has his own eyes to choose the world with.

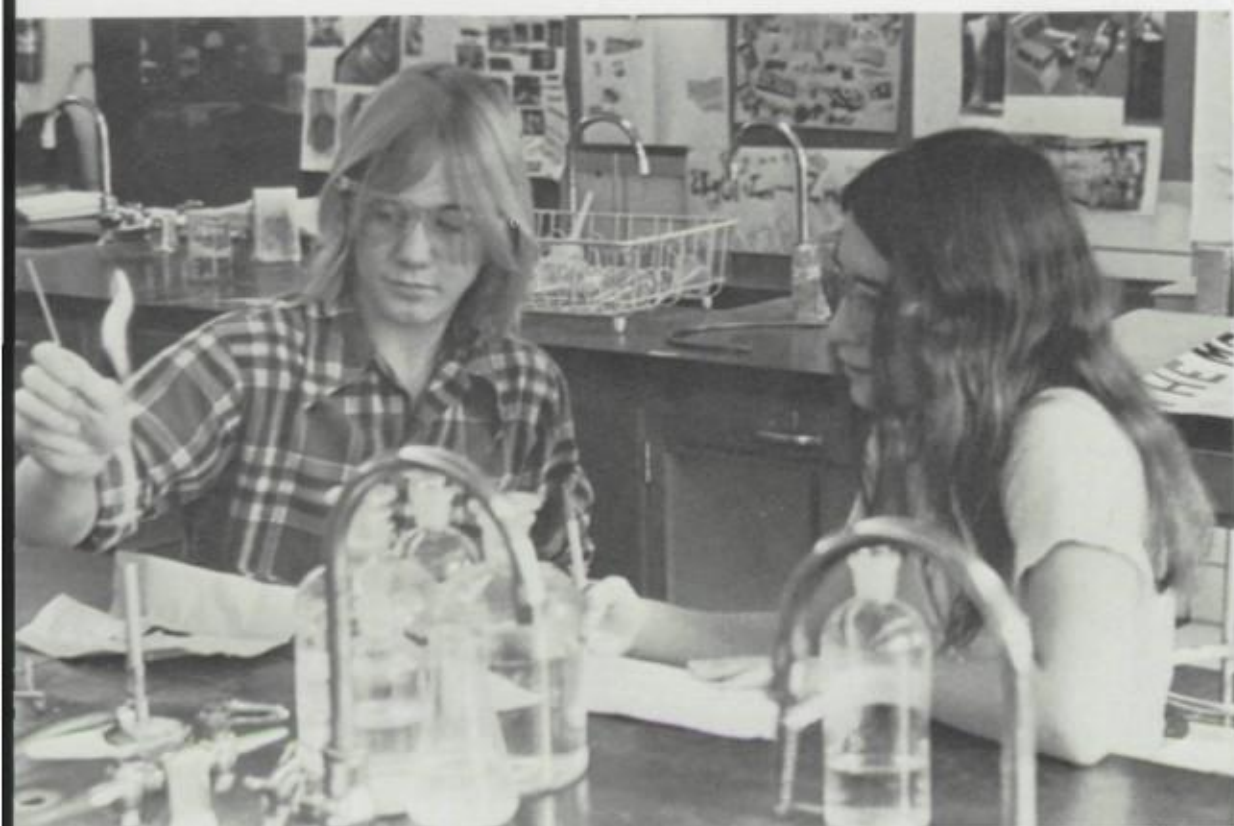

# Sophomores

Sophomore Class Officers (*FRONT ROW LEFT TO RIGHT*): Susan Linko, Treasurer; Debbie Majowicz, Vice President; Joseph Sweet, President; Abbe Andrus, Secretary. Board of Advisors (*BACK ROW LEFT TO RIGHT*): Maryjo Fox, David Lynch, Cynthia Bachman, Pam Perry. Advisor of the Sophomore class is Mr. Rioux.

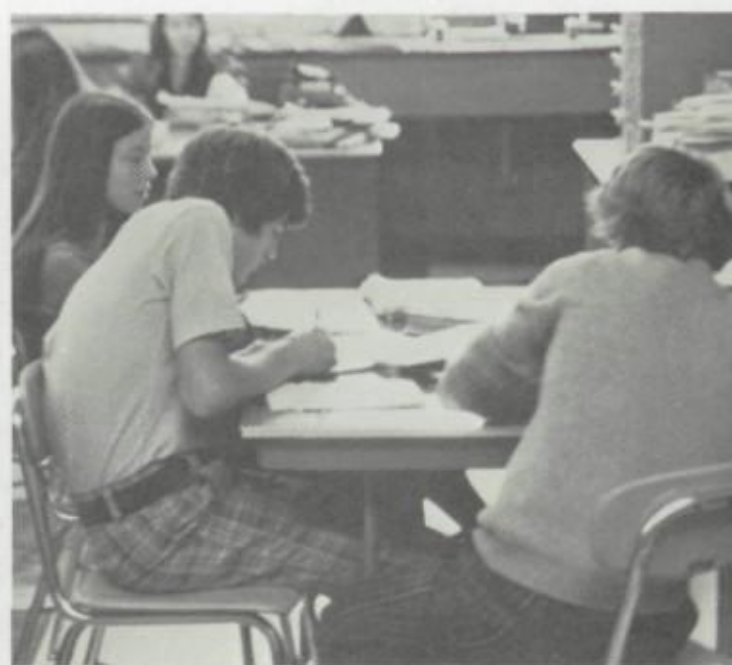

To wonder is to begin  
to understand.

Make good use of every opportunity you get!

No man is an island entire of itself, every man is a piece of the continent a part of the main.

No bird soars too high if he soars with his own wings.

Men learn while they teach.

# 1975 YEARBOOK STAFF

"Hard work finally pays off."

The job of the yearbook staff is to produce the CEN-TURION — a pictorial record of a year in the life of South Windsor High School. Ours is a high school yearbook — not just a senior class book. An effort is made to cover the activities of the entire school, underclassmen and faculty, while featuring the graduating class. Editorial and production staff positions are open to those willing to invest a year of hardwork in return for the satisfaction gained from producing a finished product such as this book.

## *HOME ECONOMICS CLUB*

The Home Economics Club membership is open to all students who have taken courses in Home Economics. Our projects help to encourage social activity in our department as well as to extend service to the community. Examples of this would be our Department Fashion Show and items made for the South Windsor Convalescent Home. Advisor: Mrs. Niederwerfer

"Let us all display our achievements."

## *HANDICRAFT CLUB*

The purpose of the Handicraft Club is to allow members to pursue their interests in knitting, crocheting, needlepoint and various other crafts. Membership is open to any person interested. Advisor: Miss Parys

# ASSEMBLY COMMITTEE

Advisor: Mrs. Schissler

"May we conduct your entertainment?"

The Assembly Committee works together with Mr. Thomas in planning and preparing for programs during activity periods. This involves sign-ups, getting the stage and auditorium ready, and acting as hosts for guest speakers or performers.

# STUDENT COUNCIL

"The principal business of government is to further and promote human strivings."

Advisors: Mrs. Tucker and Mr. Woods

Meeting Bi-monthly, the Student Council serves as the government of the students and acts as a vehicle of communication between them and the administration. Elected by the student body, the president is a member of the Senior Class, the vice-president of the Junior. Each English class has its own representative and alternate, who report the Student Council proceedings.

# AMERICAN FIELD SERVICE

"Walk together, Talk together, O ye Peoples of the Earth, For Then and Only Then, Shall We Have Peace." AFS motto

American Field Service is a program of exchange students, both to and from our country. The purpose of the Student Chapter is to assist the Adult Chapter in raising funds to support this goal and to be supportive to the foreign student in his adjustment to our school and community. Through various AFS activities our students are afforded the opportunity to meet students of many lands, thereby enhancing their understanding of other peoples and their cultures.

Advisors: Miss Adcock and Mr. Locario

SWHS foreign student, Santiago Balbuena, from Paraguay

SWHS foreign student abroad, Richard Atkins, to Argentina.

SWHS foreign student abroad, Melissa Murray, to Lebanon

# COMPUTER CLUB

Many people view the computer with suspicion and distrust. The Computer Club was established to acquaint students with the computer and perhaps relieve some of those suspicions. Through hands on experience, students learn fundamental skills in programming and operating the high School's computer.

Advisor: Mr. Cloutman

"Learning is the eye of the mind."

# MATH TEAM

"Histories make men wise; poets, witty; the mathematics subtle; logic and rhetoric, able to contend."

Advisor: Mr. Joy

The Math Team participates in the Capitol Area Mathematics League. There are six meets each year among twenty-six schools in the league. The team will participate in the Connecticut State Mathematics Leagues Meet.

# *SOUTH WINDS STAFF*

"The best use of a journal is to print the largest practical amount of important truth, — truth which tends to make mankind wiser, and thus happier."

The *South Winds*' goal is to train students to recognize the requirements of good reporting and develop honest, accurate, and effective communications. It also introduces students to journalism as a potential career opportunity. Advisor: Mr. Garro

# *REFLECTIONS STAFF*

"... Your feelings published."

Advisor: Mr. Cass

The staff of the literary magazine was actively involved throughout the year in the publication of two issues, distributed in February and May. The literary articles, ink drawings, and black and white photographs which appeared in the final magazines were carefully selected, on the basis of exceptional quality, from the many entries submitted by students. For the second consecutive year, *Reflections* was printed by the High School Graphic Arts Department.

# DEPARTMENTAL ASSISTANTS

"This is our special duty, that if anyone specially needs our help, we should give him such help to the utmost of our power."

Advisor: Mr. Brown

These students spend varying amounts of time assisting the departments in a variety of ways; from typing and collating materials to preparing materials, helping with cleaning duties and maintaining animals and equipment. Without their efforts and perseverance, many extras in the areas would be impossible.

## LIBRARY AIDES

"Help refused is hindrance sought and found."

The Library Aides assist students in the use of library materials, aid librarian and assistant librarian in the operation of the library.

Advisor: Miss Thompson

# *FUTURE BUSINESS LEADERS*

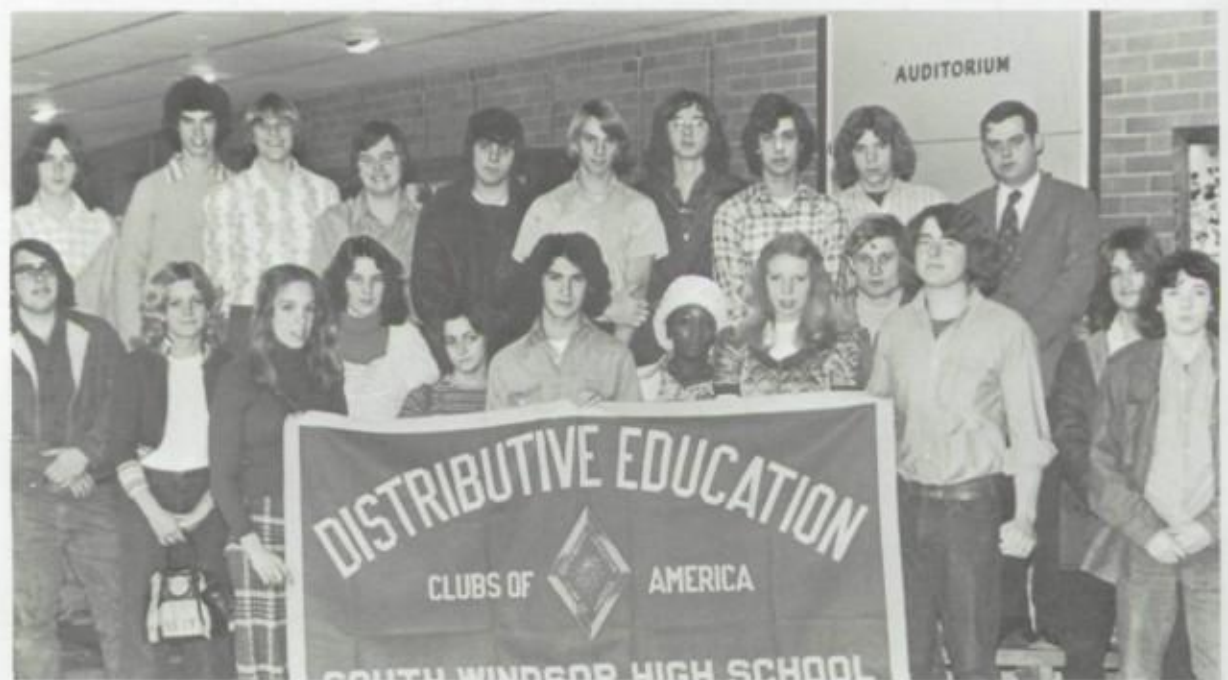

The purpose of the Future Business Leaders of America Club is to develop the qualities of business and civic leadership. We are a service club for the high school, involved in ticket sales for Christmas and spring concerts and drama productions, acting as guides for parents at Open House and selling candy at basketball games. Usually at the beginning of each year, the Club has a fund drive to cover expenses for special field trips and leadership conferences throughout the State of Connecticut. Advisor: Mr. Bordonaro

"The crowning fortune of a man is to be born to some pursuit which finds him employment and happiness."

## *DECA*

DECA stands for Distributive Education Clubs of America. DECA is designed to develop future leaders for marketing and distribution. It is the only national youth organization that attracts young people to such careers. Advisor: Mr. Myette

# NATIONAL HONOR SOCIETY

The Wood Chapter of the National Honor Society is a service organization composed of a limited number of junior and senior students. New members are selected each year on the basis of four attributes: Scholarship, Leadership, Service, and Character. Induction is held in the winter.

## ATTENDANCE OFFICE ASSISTANTS

These girls assist to keep attendance records in order and help to run errands for this office.

# Outing Club

The South Windsor Outing Club is opened to all students who enjoy the outdoors. Our club will be sure to make you smile and give you a chance to meet new friends. Throughout the school year we as a group offer many activities such as hiking, skiing, skating, horseback riding, and swimming. We are ready to listen to any comments as to possible activities. We are here for you and want to expand your knowledge and enjoyment of the great outdoors.

"Best of all we are outdoors, out here there are no hassles."

Advisor. Mr. Rioux

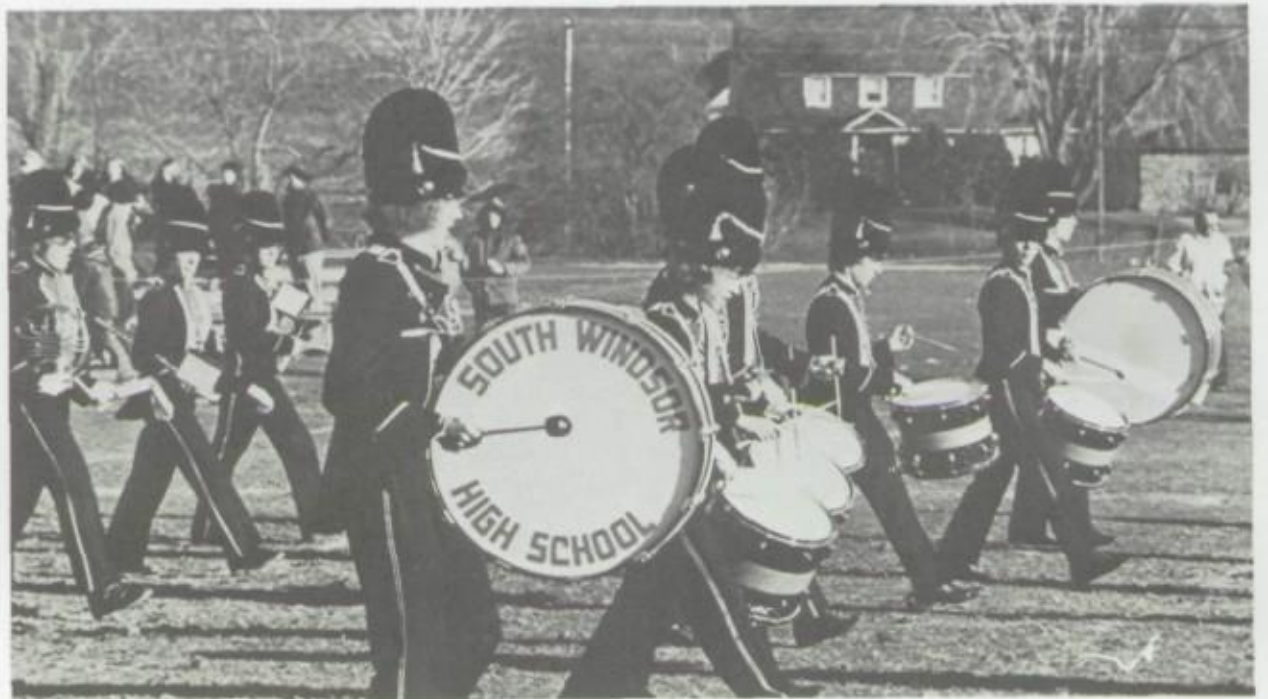

# THE BAND

"Music is the universal language of mankind."

Much hard work and perserverance can be seen each year as the concert band — marching band at SWHS provides both spirit and entertainment for the school body and the town. The band plays at all pep rallies, home football games and June graduation exercises along with scheduled concerts during the school year. We take part in an "Exchange" concert with another high school band in the New England area, usually a concert on the Plaza for the Hartford Arts Festival in the spring, and also present concerts for the elementary and middle schools in town.

Advisor: Mr. Lazzerini

# VOCAL ENSEMBLE

"Song is well said to be the speech of angels."

Advisor:  
Mr. Lesbines

The Vocal Ensemble is a select group of approximately 65 members. Activities of the group include Christmas, Spring and Pops programs and numerous other school and community concerts. This year, the group was invited to perform at the Music Educators National Convention in Philadelphia. Several members of the Ensemble are chosen each year to participate in the Greater Hartford Youth Chorale, Central Northwest Division Chorus and the All State Chorus.

# CONCERT CHORUS

The Concert Chorus is comprised of approximately 160 students. Throughout the school year the Chorus performs in three major programs consisting of varied forms of traditional and popular music. Recordings of the musical groups have been an annual event.

"A song will outlive all sermons in the memory."

# MEDIA SQUAD

"Need a movie projector? Ask us."

We are a group serving the school by operating, maintaining, and repairing audio visual equipment. The Media Squad is open to students who have a study on the assigned periods which is used for media work. One-quarter credit toward graduation is given. Advisor: Mr. Olsen

# CHESS CLUB

The pleasure of playing chess and improvement of strategy skills has motivated many SWHS students to join the Chess Club. Meeting every possible activity period, members compete with players of different ability levels. Advisor: Mr. Cloutman

"The chessboard is the world, the pieces are the phenomena of the universe, the rules of the game are what we call the laws of Nature."

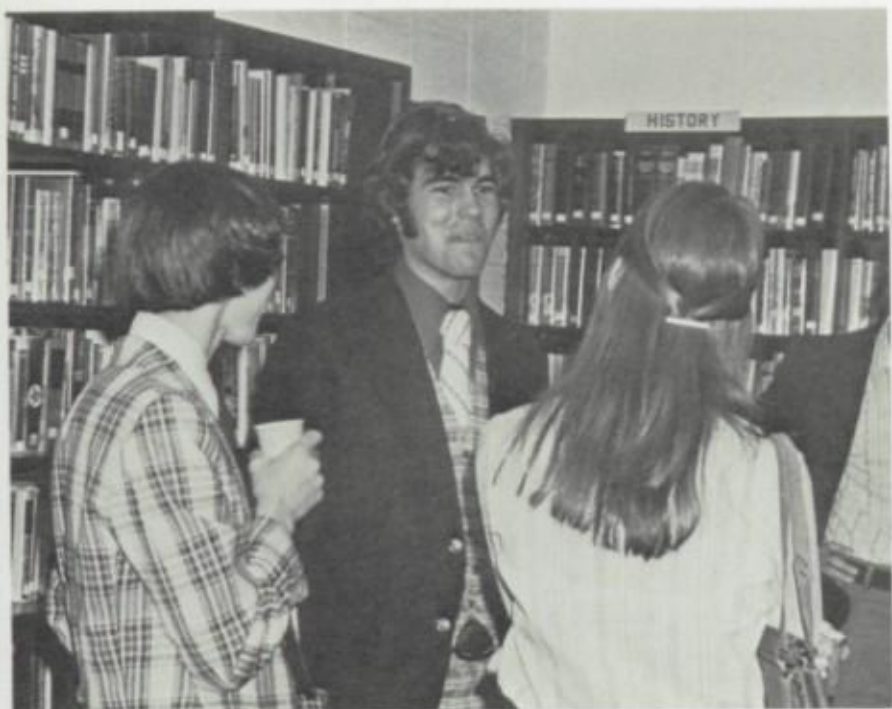

# PEP SQUAD

"Actions speak louder than words."

The main purpose of the Pep Squad is to spread school spirit. We do this by attending games together and selling banners, pins, bumper stickers, ribbons and other boosters at home games. Advisor: Mrs. Schissler

Dear S.W. "?,"

I really thought your "concerto" was great! I really liked the first one; it reminded me of a nightmare! (no offense, please!) The vocal guy with the curly brown hair has a great voice! (At least I'd like to have a voice like that!!!!) I really thought our song stunk! (We started TOO HIGH!) You are really great, and I hope to get as high as you,.....  
...someday!

Yours Truly,

Adam Murray age 9

Room 5 grade 4.

P.S. The guy with the curly-brown hair looks a little like my brother, Brent!

# *GUYS & DOLLS*

## SENIOR GET-TOGETHER

### *FRIENDS*

I hope the day will be a lighter highway,  
For friends are found on ev'ry road;  
Can you ever think of any better way  
For the lost and weary travellers to go?

Making friends for the world to see  
Let the people know you got what you need;  
With a friend at hand you will see the light . . .  
If your friends are there, then everything's all right.

It seems to me a crime that we should age,  
These fragile times should never slip us by;  
A time you never can or shall erase,  
As friends together watch their childhood fly.

Making friends for the world to see  
Let the people know you got what you need;  
With a friend at hand you will see the light . . .  
If your friends are there, then everything's all right.

This year the annual Pep Rally was held on Friday, Dec. 13. The Mighty, Mighty Seniors, overwhelmingly, won the shouting and poster contests. They also won the spirit links contest. This enabled us to add a new sight at the basketball games — a Bobcat mascot.

## *"The Sting"*

The Senior Dance, held on Saturday, February 1, was entitled "The Sting". The featured band was the Fisted Glove. Upon entering the dance, each person received the same amount of money which was used for betting. One could place their bets on the roulette wheel, poker, easy dice, or black jack. In the end there was a raffle with expensive prizes.

It was truly a fun night for all who attended.

*"Give the meet your utmost thoughts above yourself and everything will go well."*

Sue Donlin was the lone gymnast on this years team to qualify for the state regionals. Sue qualified by earning a 5.98 average on the balance beam and a 6.36 on vaulting. Sue's total points on all four events during the season were 232.80. Sue has been on the gymnastic team for four years.

## South Girls Dump Weaver

**SOUTH WINDSOR** — South Windsor senior Sue Donlin qualified for the regional gymnastics tournament as she led the Bobcats to a 47.95-35.60 victory over Weaver in the final meet of the season.

Miss Donlin, who took first-place finishes in the floor exercises, the balance beam, and vaulting against Weaver, maintained a 5.0-average on the beam and a 6.0-average on vaulting throughout the season. The marks are good enough to qualify for the regionals, scheduled for March 4 at Simsbury High School. She is the only member of the team to qualify.

The win against Weaver lifted South's record to 4-10 for the year.

Beside the outstanding performance of Miss Donlin, Sue Van Sicklen took a first place in the uneven parallel bars. Alice Alzugaray added a second place in floor exercises and Joanne Welles was second in vaulting.

Also, South's Pam Miller took a third on the balance beam and Linda Lacapruca was third on the uneven bars.

"Happiness is like a crystal,  
Fair and exquisite and clear,  
Broken in a million pieces,  
Shattered, scattered far and near.  
Now and then along life's pathway,  
Lo! Some shining fragments fall;  
But there are so many pieces  
No one ever finds them all.

Life is a scrapbook, torn and old,  
In which our little lives are told,  
And, when the twilight shadows fall,  
This is the sweetest thing of all;  
To turn the pages of the years,  
Remembering with happy tears  
The faithful love, the perfect friend.  
These things we treasure to the end."

God Bless and much  
Happiness in the years  
To come.
